## CAREER OBJECTIVE

---

As a NAIT DMIT graduate, I possess a strong foundation of computer skills and a broad understanding of various technologies across multiple mediums, as well as variety of programming languages and frameworks. Leveraging my previous experience as a business owner, I have honed my problem-solving and analytical decision-making abilities to navigate challenges and consistently deliver innovative solutions. I would appreciate the opportunity to support and manage various aspects of IT operations and contribute to successes in a corporate environment.

## EDUCATION

---

### Northern Alberta Institute of Technology

*Diploma in Web Design and Development*

Deans Honor Roll - 4.0GPA

**Sept 2020 - May 2023**

*Edmonton, AB*

---

**Technical Skills:** HTML, CSS, SASS, JavaScript, React, Next.js, RESTful APIs, WordPress, PHP, MySQL, GitHub, Adobe Creative Cloud, UX/UI

**Personal Proficiencies:** Communication, Collaboration, Critical Thinking, Goal Oriented, Organized, Adaptable

## PROJECTS

---

### Parkland Tai Chi Website - [www.parklandtaichi.com](http://www.parklandtaichi.com)

**Jan 2023 - May 2023**

- Team-lead in designing and developing a WordPress-based website for a non-profit organization, ensuring seamless functionality and user experience.
- Employed decisive decision-making skills to implement effective solutions, ensuring project milestones were met within established timelines.
- Enhanced and refined communication, problem-solving, and leadership skills as the designated team lead for the project, fostering collaboration and achieving project success.

### Personal Portfolio Website - [www.clinton-gorda.com](http://www.clinton-gorda.com)

**Dec 2022 - Present**

- Proactively expanded knowledge and skills beyond the classroom through the independent design and development of a personal portfolio site using WordPress.
- Consistently enhanced the site to showcase new projects, demonstrating a commitment to ongoing learning and continual skill development.
- Exhibited strong time management abilities by effectively balancing site development alongside academic responsibilities.

## WORK EXPERIENCE

---

### Clint's Plumbing Service

*Plumber/Owner*

**Nov 2017 - Dec 2022**

*Edmonton, AB*

- Built trust in my brand through developing and maintaining customer relationships that were built on honesty and integrity via open communication and feedback.
- Thrived in high-pressure, fast-paced environments with tight deadlines, consistently delivering high quality results while maintaining composure and focus.
- Effectively managed multiple projects concurrently through strong organizational and time management skills as well as thorough preparation.
